The banquet, Friday evening, November 12, is annually one of the highlights of the Tennessee National. Shown above is Jack Ragsdale, Prospect, Ky., past president of the American Shorthorn Association, addressing the capacity banquet crowd. Plan to be a part of this activity this year.

BULL WEIGHING

You will want to be in attendance Friday, November 12, at 3:30 p.m., for the bull weighing. This program was instituted recently and proved to be very popular with both consignors and buyers. Each bull in the sale is weighed. The average weight for each class is announced in the show on Saturday and the weights are available to buyers on request.

BANQUET

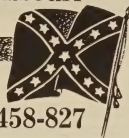

The banquet for the Tennessee National sale this year will be held at the I-24 Holiday Inn - 350 Harding Place, Nashville, Tenn. Everyone is invited to attend. If at all possible, please let Charles Curtis, R. 7, Cookeville, Tenn., know how many in your party will be attending. This will facilitate making the arrangements. The banquet will begin at 7 o'clock p.m., followed by a short business meeting of the Tennessee Shorthorn Ass'n.

S V's Superb Rodney x, champion of the 1969 Tennessee National sale and winner of the \$1,000 bonanza prize . . . the second time Sewanee Farms has won it.

HOEO CHRISSIE — This is a lean heifer that had no grain until October 1st. We didn't show anything this year and consequently didn't have any heifers in the barn. She will be carrying the service of KINNABER LEADER 16th, that is one of the great Polled bulls of the breed. Never have we had a herd bull that has drawn praise from so many good cattlemen. We sold one of his sons to Gerald Clodfelter who showed him at four state fairs under four different judges and he was never below 2nd and was grand champion once and Reserve Jr. another time. STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
